d insurance do not exceed

30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: “A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: “The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.” The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.

1. It is the policy of the County not to subordinate unless a subordination request meets all the requirements for granting of a subordination request contained herein. The Board of County Commissioners has the sole authority to grant or deny a subordination request. An applicant's request for subordination must be in writing and provided to the County SHIP Department and must contain all of the following documentation and information:

- Proof of licensure to do business in the State of Florida from financial institution being proposed as the priority mortgagee for the new loan;
- Authorization for Release of Information form signed by homeowner (signature(s) must be verified);
- Reason for subordination request;
- Documentation supporting the validity of the reason for the subordination request;
- Information on the original first mortgage loan (prior to the refinancing with the new loan) including original loan amount, number of years for repayment, interest rate, and current monthly mortgage payment;
- Current appraised value of subject property;
- A lender's good faith estimate of closing/settlement costs related to the new loan being proposed as the priority mortgage;
- Complete terms and conditions of the new loan being proposed as the priority mortgage;
- Whether the taxes and insurance payments are included in the new loan or whether homeowner will be responsible for them;
- Whether or not any of the homeowner's equity from the new loan will be used to pay bills or to consolidate debts, with names of payees of any debts proposed to be paid from such equity;
- Proposed subordination agreement; and
- Any additional information that may be required or requested by County.

2. Requests for subordination will be reviewed by the County SHIP Department prior to final determination by the Board of County Commissioners. A request will not be forwarded to the Board of County Commissioners unless it is based on one of the following:

- Emergency needs arising out of natural or man-made disasters;
- Emergency repairs that eliminate a threat to the health or safety of the occupants or that eliminate an immediate or imminent danger to the dwelling itself;
- Refinancing to lower the interest rate on the applicant's existing first mortgage if the closing costs and/or fees can be recovered within 4 years; or
- Unforeseen emergency for which one cannot ordinarily budget and which results in severe financial hardship for the applicant, including but not limited to, serious illness or injury to the applicant or a dependent which creates severe financial hardship, or major personal property losses requiring funds over and above what may be covered by insurance.

3. A request for subordination will not be forwarded to the Board of County Commissioners for consideration or granted under any of the following conditions:

- The loan to value ratio exceeds 100%;
- The housing debt to income ratio exceeds 33%;
- The total debt to income ratio exceeds 40%;
- The new loan is other than a fixed rate loan;
- The new loan that is proposed to be the priority mortgage will result in a cash amount to the applicant at closing;
- The purpose of the request includes payment of credit card debt or other loans, payment of school tuition, funding the purchase of a car or other vehicle, payment for minor emergencies that do not result in extreme financial hardship, including but not limited to car repair, minor home repair, appliance replacement, or routine home maintenance; or
- The mortgage lender and applicant fail to provide all required documentation.

4. In the event a subordination request is forwarded to the Board of County Commissioners for consideration, the request may not be placed on a Board of County Commissioners agenda for up to four (4) weeks after all of the following have occurred: submittal of all required documentation and information; completion of the County SHIP Department's review of such documentation and information; approval of the form and terms of the proposed subordination agreement by the county attorney. If the Board of County Commissioners grants the request for subordination and approves the final subordination agreement, the subordination agreement will be returned to the applicant for recording in the Official Records of Levy County, Florida. The applicant will provide a copy of the recorded subordination agreement to the County SHIP Department.
